

# Reduce Single Use

## **Did you know...**

**~35 billion empty water bottles are thrown away each year by Americans -only 12 percent are recycled.**

**~Almost 50% of everything we put in our recycle bins at home is never recycled.**

**~ 90% of all of the trash floating on the ocean's surface is plastic – approximately 46,000 pieces of plastic per square mile.**

**~Americans drink more bottled water than milk or beer a year.**

## **Refillable water bottles...**

### **A simple choice –with big benefits!**

**~Average annual savings of \$250 per person**

**~You reduce the plastic in our land fills**

**~Drink water without plastic toxins**
